STAFFING 2015
I will be taking leave for 2015 leading up to my retirement in March 2016. I must say that I am proud to have been given the opportunity to be the Principal of Berinba since term 2 2005. The support from parents has been greatly appreciated. I have been privileged to have worked with such professional teachers, special education support staff and administrative support staff. Your children have been a delight. I will greatly miss their morning welcome as they wander into school each day. Teaching has been a wonderful career, from which I will take many fond memories.
Mr Bradley has been appointed to relieve as principal for 2015. A new permanent principal will be appointed for 2016. I wish Chris all the best in the role.
