EARN AND LEARN 2013
Thank you parents for your support in collecting the Woolworths points. The school has gained a considerable windfall in new Science equipment. This will be used to support our implementation of the Australian Science Curriculum.

ABSENCES
If your child is unable to attend school (or is late or leaving early) please send a note with your child when they return. Include your child’s name, class, date absent and the reason for the absence. All absences are recorded on the computer and the Department of Education requires a reason for the absence. Absence letters are automatically generated and sent home with the children when no explanation is given.
